SUBJECT: Status Inquiry re S.N. 08/154,562

Would you please respond to the attached status inquiry which was faxed to the Office of Petitions regarding the above-identified application?

I sent a fax to Mr. Cipollone today informing him that the file had been forwarded to Group 1200 for continued prosecution and told him that he should contact the group for the status. However, the inquiry should probably be answered in writing and made of record in the file.

If you have any questions, please call me at 305-8978.

Thanks.
